

# Sunday 24th May- Acts 1:6-14

**Do** Engage with the story

Time to play! Hopefully the weather is nice enough for you to play stuck in the mud outside! When you have finished read Acts 1:6-14. After Jesus ascended the disciples were stuck in the mud until two men in white came and spoke to them.

**Ask** Dig deeper with a little chat

Why might Jesus' disciples be reluctant to go out into the world? What do the disciples receive to help them bravely tell people about Jesus?

**Think** How does this effect my life?

How has God promised to be with me?  
How can the Holy Spirit help me?  
What could I do to change the world?

**Pray** Finding a way for my heart to respond

Back to hoping the weather is nice!  
Take that thought of how you can change the world and, like the disciples, go and ask, and wait for, the Holy Spirit to fill you. Outside might be a nice place to hear from God!

## Memory Verse
