

Easter Sunday - John 20

Do Engage with the story

Read about Jesus' Resurrection in a bible at home.
Try using an empty washing basket as a tomb, some sheets and your imagination to act out the story. Remember to think about how Jesus' friends felt and reacted, so you can bring the events to life.

Ask Dig deeper with a little chat

Read today's memory verse (check out Col 3:1-4 for even more!)
Why is Jesus' resurrection still important to us today?
Where do you think Jesus is now?

Think How does this effect my life?

What might the 'Things that are in Heaven' be?
Why should I set my heart on the things of heaven?
How can I set my heart on the things of heaven?

Pray Finding a way for my heart to respond

With any scrap paper your parents can find in the house, write or draw ways you are going to focus on things that are in heaven. It may be things you're choosing to do to help you follow Jesus better, or ideas you have to help others know God's love. Then turn them into Paper Aeroplanes, take them outside and as you pray... throw!

Memory Verse

"You have been raised to life with Christ, so set your hearts on the things that are in heaven, where Christ sits on his throne at the right side of God." Colossians 3:1
